We LOVE bringing FoodPlay to all our schools! They present sound nutrition messages in a thoroughly entertaining way, captivating children's attention and triggering school-wide excitement to create healthier school environments."

—Joan Nachmani, MS, CNS, SFNS,
Director of Nutrition Education,
School District of Philadelphia

Emmy Award-winning FoodPlay Productions brings the power of live theater to turn kids on to healthy eating and active lifestyles! **FoodPlay's Fresh Adventure!** tours schools in urban communities dishing up good nutrition and active lifestyles with a fun-filled theater show featuring hip hop music, dance, juggling, and audience participation. Research-based with proven effectiveness, FoodPlay performances and resource kits empower kids with the skills needed to take charge of growing up healthy and fit!
